

CuSnakes™ Rules For Culica®

Variation - Classic

Mode: 2 to 4 Players

Difficulty: Easy.

Rules

Each player has a colour, and takes turns to play.

You put your peg next to (side by side) the *last* peg that you put on the Culica. (Remember which one!)

In the figure, right, each player has had two moves.

To win:

The last player that made a move wins.

In the figure, right, two more moves have been played and now the red snake cannot grow, so red is out of the game.

Tips

Try to block your opponents so they can't move!

For a faster game, mark one or more faces as off limits.
