

CuSnakes™ Solo Rules For Culica®

Variation - Classic

Mode: single player / puzzle

Difficulty: Easy

Rules

You put your peg next to (side by side) the *last* peg that you put on the Culica. (Remember which one!)

To win:

- ✓ Make the longest snake you can! Each peg in your snake is a point. Your high score is the number of pegs on the longest snake you made.
- ✓ For a Perfect Score, get *all* the pegs on the Culica as one big snake.

In the figure, right, is an example of a “CuSnake”.

Tips

Mark the “tail” of your snake (the first peg you put on) with a different coloured peg, so you can see which end of the snake is which.
